

REGION X
TRAINING & EXERCISE
QUARTERLY COMPENDIUM

2nd Anniversary Edition!

OCTOBER 2012

INTRODUCTION

The Federal Emergency Management Agency (FEMA) Region X Training & Exercise Quarterly Compendium is published on a quarterly basis and contains basic information about *regionally significant training and exercise events* occurring in the next three (3) years.

This edition includes events occurring between October 2012 -December 2015. The next edition will be published in January 2013 and a call for updates will be distributed in early December 2012.

A *regionally significant training or exercise event* includes but is not limited to the following types of events;

- training which is open for enrollment by outside agencies,
- exercises in need of evaluators or controllers,
- exercises open to observers,
- multi-jurisdictional training and exercises,
- regional training and exercises,
- and training and exercises which an agency would like other regional partners to be aware of.

For more information about the Region X Training & Exercise Quarterly Compendium please contact **Adina M. Pease** adina.pease@fema.dhs.gov or at (425) 487-4672.

REGION X MYTEP

Photo Credit: Lisa Davis

State and federal partners collaborate the TEPW in August 2012.

The Region X Multiyear Training & Exercise Plan (MYTEP) is used to document the developments of the Regional Training & Exercise Preparedness Cycle and the Training & Exercise Planning Workshop (TEPW). Additionally, the document records the Core Capability priorities set at the annual TEPW and identifies specific areas or tasks that are considered areas of focus to improve within each capability.

FY13 Regional Priority Core Capabilities

- Community Resilience
- Operational Communications
- Planning
- Infrastructure Systems
