

FEMA REGION X TRAINING OPPORTUNITY

FEMA

Course: L278

National Flood Insurance Program/Community Rating System

Date:

November 17-20, 2014

Location:

Tacoma, WA

Course Description:

FEMA Region X and the Northwest Regional Floodplain Management Association (NORFMA) are hosting this course, which covers the Community Rating System (CRS), a nationwide initiative of FEMA's National Flood Insurance Program (NFIP). It describes activities eligible for credit under the 2013 CRS Coordinator's Manual, how a community applies, and how a community modifies an application to improve its classification.

Target Audience:

This course is intended for a wide range of participants including FEMA Regional Office staff, NFIP State Coordinators, regional planning officials, local and tribal government officials, those who perform floodplain services for local governments, and others interested in learning about the CRS in order to provide technical assistance to communities seeking to apply for CRS credit.

Funding:

Tuition is free for those accepted; there are no travel/salary stipends available for this offering and all incurred costs are the responsibility of the attendee or sending organization.

Prerequisites:

Must be a Certified Floodplain Manager, or have completed the E/L273 Managing Floodplain Development through the National Flood Insurance Program course; or be a full-time Floodplain Manager with more than two years of full-time floodplain management experience, as demonstrated through work in a floodplain management, codes enforcement, or building code field and through work specifically related to floodplain management. Participants must have an understanding of the NFIP and floodplain management principles.
